To Whom It May Concern:

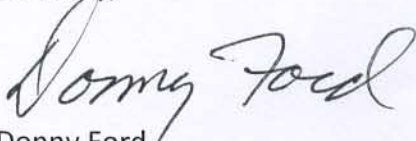

The Dallas County Detention Center and Dallas County Sheriff's Office is a customer of Cornerstone Detention Products and has been since 2000.

During this time we have purchased the doors, windows, and locks for our facility, none of which have needed replacement in the eight years since we bought them.

We also buy all of our hygiene products from Cornerstone because we can be assured not only of good quality, but fair prices.

Dallas County will continue to use Cornerstone Detention Products in the future and would be happy to pass on our recommendations and praise for them.

Cordially,

Donny Ford
Dallas County Sheriff
