Mr. Stephen Claborn,

On behalf of the Georgia Department of Juvenile Justice, I would like to express my appreciation on the recently completed projects at the Eastman Youth Development Center, and the Sumter Youth Development Center. The job was completed in a timely manner. Your field technician, Jason Adams, maintained the project schedule, provided me with updates in progress, which assisted in minimal operational interruptions. We look forward to future business with you and your company.

Sincerely,

A handwritten signature in cursive script that reads "George Fussell".
