Stephen, I am writing just to express my sincere appreciation and satisfaction with Cornerstone and its employees; notably Lee, Mitt, Samantha, and Jacqueline. I have always felt appreciated when trading with Cornerstone, each member of your staff are knowledgeable, helpful and courteous.

As Jail Administrator, I have found your products and services to be a great asset to this department. As well as, you and your staff are extremely helpful when issues and questions arise concerning detention products, and services needed by this department. On many occasions, I have contacted Cornerstone seeking information, and have always received an appropriate and helpful response.

I look forward to continuing business with Cornerstone in the future. Keep up the great work.

Sincerely,

Scotty McKay
Jail Administrator
