## MEMORANDUM

**TO:** Stephen Claborn  
Cornerstone Detention Products

**FROM:** Roger  Shaw, Facilities Construction Specialist 3

**DATE:** September 9, 2008

**SUBJECT:** Turney Center Industrial Prison Door Position Switches Session

---

I would like to take this opportunity to express my thanks to you for Lee and Mitt's very active participation in our recent door position switches training session at Turney Center Industrial Prison on August 20<sup>th</sup> 2008. The Director of Facilities, Planning & Construction also asked me to pass on his sincere appreciation for your efforts in supporting the State Of Tennessee Department Of Correction.

On both a professional and personal level, I really appreciated the time the two of you were able to spend with our facilities maintenance personal. I certainly learned a lot about the unique aspects of door position switches installation and how to maintain them.

Again, thanks so much for your enthusiastic participation in our training session. I have no doubt that it would not have been the success that it was without your presence.
